Alliances and Friendships in 1914 Europe

W - Organizing Thoughts and Ideas	I have some success.	I can construct a graphic organizer that contains all the necessary information	**I can effectively organize my thinking and learning into a personalized and useful format.**	Additionally, the form enhances the function and my organization provides deeper analysis and can provide information to others.

Directions: Create a visual representation of the alliances and friendships that existed 1914 as World War I break out. (Note that England was friendly with Belgium.) All of the following countries should be included:

Great Britain   **Belgium**   **France**   **Germany**

Italy   **Austria-Hungary**   **Russia**   **Serbia**

Ottoman Empire

Be creative with your visual. You can use shapes, flags, symbols, and/or people. The purpose is to help you remember who fought with whom in the war, so make it memorable. Plan you visual on this page, show me, and then create
