

Name:

Version 1

LEADER you are researching: _____

COUNTRY from which they come: _____

Date born and location: _____

Date died and location: _____

Briefly describe their childhood and family background - it should fit in the space below...

How was this person prepared to become a leader? What education, military training, etc. did they have to enable them to do their job?

Describe how your person became a leader of the country? (Inherited the throne, elected, revolution, coup, etc.)

What years was your leader in power? Explain why she/he left their leadership role? (Death, end of term, forced out, etc.)

What big things did your leader do while in power? **These are your leader's positive accomplishments and/or big failures. You can separate them into positive and negative accomplishments, if you want. Take notes on each accomplishment. How was it done? This should be the bulk of your notes. Be sure your notes are organized!!**

What did people in the country think of your person as a leader? Did the people like her/him or was your leader disliked? What evidence do you have for this answer?

What leadership characteristics did your leader possess? (brave, intelligent, good communicator, fair, cooperative, etc.) Give example of times your leader demonstrated these characteristics.

Do you feel this person was a good leader? Why or why not? Remember to give specific evidence to support your opinion.
