

Name:

WHK - Forms of Government	I have some success .	I can recall specific vocabulary, list positive and negative aspects of governments, identify examples of when different types of governments existed, and recognize similarities between types of governments.	<b>I can assess the benefits and drawbacks of different government systems throughout history.</b>	Additionally, I can analyze differences between theory of forms of government and the reality of those forms in practice.
---------------------------	-----------------------	---	--	---

1. What is a **totalitarian state**? What country was a totalitarian state?
2. What is **fascism**? What countries had fascist governments?
3. Under fascism, what freedoms do individuals have?
4. How did the depression help the Nazis?
5. How were the governments of the Soviet Union, Italy, and Germany similar?
6. Explain several reasons why Germans supported the Nazis.
7. Was the Soviet Union under Joseph Stalin a communist country, a totalitarian country, or both? Explain why.
